

AT HOME CRAFT

MAKE YOUR OWN TOTE BAG

Materials Needed: Old shirt, scissors, hole punch

Steps:

1. Grab your shirt and scissors. Cut the neck and the sleeves of the shirt off
2. Leave a strip from each sleeve, needed for later steps. (as shown in second image)
3. Next, use the hole puncher to make two holes at the bottom of the shirt
4. Turn your t-shirt inside out
5. Slide the strips you cut from the sleeves, place them through the holes and tie them
 - a. If needed or for preference, you can cut more stripes from the sleeves and make more holes to make the bottom of the tote more secure

Ta da - you have made a tote bag !
